2022 California Vin Gris Rosé (BEST BUY)

This blend is mostly grenache, and includes carignane, cinsault, mourvedre and rolle, putting it squarely in the Provence camp. It's pale like Provençal wines, with a light herbal note, dusty minerality and a slight sourness that frames the wine nicely. It's comfortable in its skin, relaxed, with a quiet elegance for peel-and-eat shrimp. — P.J.C. (3,300 cases)
