

# BIRICHINO

## MALVASIA BIANCA

### Monterey County

Santa Cruz winemakers Alex & John make this crisp, dry, jasmine and **lime-scented** white from an obscure Italian variety planted 25 years ago on rock-strewn shale soils at the foot of the Santa Lucias on the western edge of the Salinas valley. Its **vibrant, citrusy freshness** is the perfect accompaniment to all seafoods & savory sauces with cilantro, parsley, pesto, sharp cheeses or lemongrass.
