

BIRICHINO MUSCAT CANELLI

GLORIOUSLY SWEET MONTEREY MUSCAT

Exotic aromas of **nectarine**, **honeysuckle**, and **mandarin orange** zest describe this elegant, brilliant dessert wine sourced from hand-picked muscat from a decades-old vineyard at the edge of the Santa Lucia Mountains, near Monterey Bay.

Vibrant, fresh, and a touch honeyed yet never cloying, it tastes of fresh fruit picked in the early dawn hours, which in fact it was.
